James M. Fortier • Filmmaker/Director of Photography

“Turtle Island Productions adds Panasonic AG DVX100A camera package”

Turtle Island Productions filmmaker and DP James Fortier recently acquired the new Panasonic AG DVX 100A in order to better serve clients seeking the film-like capabilities of the DVX 100A but without the Hollywood budgets. Fortier has expanded the basic camera package with accessories to fully utilize the capabilities of the camera for documentary, independent feature, and corporate productions. The package consists of the following:

Panasonic AG DVX 100A with Leica 10x lens  
Chroisel 4x4 Matte Box w/ filmmaker's 4x4 filter kit, French Flag, and step down rings  
72 mm Filter Kit  
Century Optics .7mm Wide Angle Lens (also fits Matte Box)  
Zoe Zoom Control  
Sachtler DV-2 System Fluid Head and 2-Stage Tripod  
LCD Viewfinder Hood Man  
4 Long Lasting Lithium Batteries (4-6 hours), 2 chargers, and AC Power Supply  
Sony PVM 8044Q 8" Hi Res Monitor, 16x9 and 4:3  
Sennheiser Wireless System  
Azden SGM-X Mini Shot Gun Mic, Shock Mount and Rycote Fuzzy  
Porta Brace Camera Case and Production Case  
Arri 4-head Lighting Kit w/ Chimeras, 4 C-Stands, Flag Kit, etc

Coming Soon:

Century Optics 1.6 Telephoto Lens  
Century Optics Anamorphic Lens
